STORY

Millie Nocturne has one great goal in her life: to be the best in the universe...at *absolutely everything*. But when she tries her hand at being the best detective, she ends up an unwilling partner with two people who will change her life forever—Kane Blueriver, the ps-blade-wielding master of the starship *Swordbreaker*, and Canal, the smart-mouthed holographic image of the ship's computer! These are the adventures of this unlikely trio as they hurtle through space, facing off against intergalactic crime lords, rogue starships, hijackers dressed as chickens...and that's just the tip of the asteroid!
